The Committee on Children reported through SEN. BARTOLOMEO of the 13th Dist., Chairperson of the Committee on the part of the Senate, that the bill ought to pass.

AN ACT CONCERNING PESTICIDES ON SCHOOL GROUNDS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- Section 1. Section 10-231b of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2014*):
 - (a) No person, other than a pesticide applicator with supervisory certification under section 22a-54 or a pesticide applicator with operational certification under section 22a-54 under the direct supervision of a supervisory pesticide applicator, may apply pesticide within any building or on the grounds of any school, other than a regional agricultural science and technology education center. This section shall not apply in the case of an emergency application of pesticide to eliminate an immediate threat to human health where it is impractical to obtain the services of any such applicator provided such emergency application does not involve a restricted use pesticide, as defined in section 22a-47.
- 14 (b) No person shall apply a lawn care pesticide on the grounds of

SB46 File No. 104

any public or private preschool or public or private school with 15 16 students in grade [eight] twelve or lower, except that (1) on and after 17 January 1, 2006, until July 1, 2010, an application of a lawn care 18 pesticide may be made at a public or private school with students in 19 grade eight or lower on the playing fields and playgrounds of such 20 school pursuant to an integrated pest management plan, which plan 21 (A) shall be consistent with the model pest control management plan 22 developed by the Commissioner of Energy and Environmental 23 Protection pursuant to section 22a-66l, and (B) may be developed by a 24 local or regional board of education for all public schools under its 25 control, and (2) an emergency application of a lawn care pesticide may 26 be made to eliminate a threat to human health, as determined by the 27 local health director, the Commissioner of Public Health, the 28 Commissioner of Energy and Environmental Protection or, in the case 29 of a public school, the school superintendent.

This act shall take effect as follows and shall amend the following		
sections:		
Section 1	July 1, 2014	10-231b

SB46 File No. 104

The following Fiscal Impact Statement and Bill Analysis are prepared for the benefit of the members of the General Assembly, solely for purposes of information, summarization and explanation and do not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

The bill, which extends the prohibition of pesticides on school grounds, to public and private schools with students in grade 12 or lower, is not anticipated to result in a fiscal impact, as pesticide free products are available to local and regional school districts at similar costs.

SB46 File No. 104

OLR Bill Analysis SB 46

AN ACT CONCERNING PESTICIDES ON SCHOOL GROUNDS.

SUMMARY:

This bill extends restrictions on the use of lawn care pesticides on school grounds to public and private high schools (schools with students in grades nine through 12). Current law restricts such pesticide use at public and private (1) preschools and (2) schools with students through grade eight, except for emergency applications to eliminate a threat to human health.

EFFECTIVE DATE: July 1, 2014

BACKGROUND

Lawn Care Pesticides

By law, a lawn care pesticide is one registered by the U.S. Environmental Protection Agency and labeled according to the federal Insecticide, Fungicide and Rodenticide Act for use in lawn, garden, and ornamental sites or areas (CGS § 10-231a (2)).

Related Bill

sSB 68, reported favorably by the Environment Committee, permits the use of certain pesticide products on the grounds of public or private (1) preschools and (2) schools with students in grade eight or lower.
